

## PrismEnvironmental® Cleaning Products Hot Shot – Lime Scale & Rust Remover

This heavy duty, biodegradable product is a safer, low pH, non-acid alternative to hazardous hydrochloric acid. It rapidly removes lime, scale and rust stains from bowls, urinals, bath tubs, tile and grout, water fountains etc. Can also be used safely to remove rust stains from carpets.

### Benefits:

- Environmentally Responsible – Readily biodegradable product.
- Safe To Use – Non-Corrosive to skin and Non-fuming, will not damage carpets.
- More effective than leading phosphoric acid based products.
- Rapidly removes lime, scale and rust deposits

### Directions:

Use safety goggles and rubber gloves.

**Scale & Rust Removal:** For removal of heavy build-up of scale and rust use product straight and rinse well immediately after use.

**Bowl and Urinals:** Apply product straight to internal surfaces of bowl/urinal with a bowl mop, scrub clean and flush. Rinse the mop.

**Tile and Grout:** Apply product on to surface using mop or sponge at 1:10 dilution with water. Scrub if necessary, allow dwell time of up to 5 minutes and rinse.

**Caution:** Do not mix with bleach as toxic fumes will be liberated. Only mix with water. Do not spray the product or inhale mist. Do not use this product on aluminum, magnesium, galvanized metal or painted surfaces as the product may deteriorate the surface. Always test before using on metal surfaces. For Industrial and Institutional Use Only.

**Specification:** Clear, straw coloured, Scent Free liquid with a pH of less than 1.0

**WHMIS Classification:** Class D2-B –non-corrosive to skin & stainless steel; Class E – corrosive to aluminum.

**Product Code:** BC403HS-04                      Case of 4 x 4L
