

PrismEnvironmental® Cleaning Products LoTox Floor Neutralizer & Conditioner

This organic salt formulation is a safer alternative for neutralizing high alkali residues left over from stripping of floor finish. It is also an excellent product for cleaning winter salt residue from hard floors and carpets.

Benefits:

- Environmentally Responsible – Readily biodegradable.
- Safe To Use – Non-Corrosive to skin and non-fuming, will not damage carpets.
- More effective than conventional products.

Directions: To neutralize stripped floors: Dilute 2 oz. of Organic Salt Neutralizer per gallon of cold water (16 ml. per Litre). Flood coat the floor surface to be neutralized, allow a dwell time of 1 to 5 minutes, then pick up. Rinse with clean water if applying floor finish.
To remove winter salt residues from floors: Mop floor by diluting Organic Salt Neutralizer up to 1:320 with cold water. Increase concentration of product if required.
Caution: Do not mix with bleach as toxic fumes will be liberated. For Industrial and Institutional Use Only.

Specification: Light straw coloured liquid with a pH of less than 1. Has a pleasant Fresh Scent

WHMIS Classification: Class D2-B

Product Code: FC2304 Case of 4 x 4L
