

## PrismEnvironmental® Cleaning Products Shower Power – Foaming Tile & Grout Cleaner

This highly effective, high foaming, readily biodegradable product is designed to make an easy job of removing soap scum, hard water deposits, rust stains, mold, mildew, dirt and grime from bowls, urinals, bath tubs, shower stalls, tile and grout.

### Benefits:

- Environmentally Responsible – Readily biodegradable.
- Safe To Use – Non-Corrosive to skin and Non-fuming.
- More effective than leading phosphoric acid based products.
- High foam makes it easy and quick to clean large shower stalls with a foam gun.

### Directions:

Use safety goggles and rubber gloves.

**Bowl and Urinals:** Apply product straight to internal surfaces of bowl/urinal with a bowl mop, scrub clean and flush. Rinse the mop.

**Floor Tile and Grout:** Apply product on to surface using mop or sponge at 1:10 dilution with water. Scrub if necessary, allow dwell time of up to 5 minutes and rinse.

**Wall Tile and Grout:** Foam the product using a foaming tip on a trigger sprayer at a dilution of up to 1:10 parts water. Scrub if necessary; allow dwell time of up to 5 minutes and rinse.

**Foam Cleaning Large Shower Stalls:** Foam product on to surface at 1:10 dilution with water. Scrub if required and rinse clean after a dwell time of up to 5 minutes.

**Caution:** Do not mix with bleach as toxic fumes will be liberated. Only mix with water. Do not spray the product or inhale mist. Do not use this product on aluminum, magnesium, galvanized metal or painted surfaces as the product may deteriorate the surface. Always test before using on metal surfaces. For Industrial and Institutional Use Only.

**Specification:** Straw coloured liquid, Scent Free, pH of less than 1.0

**WHMIS Classification:** Class D2-B – non-corrosive to skin; Class E – not corrosive to stainless steel, corrosive to aluminum.

**Product Code:** BC402-04      Case of 4 x 4L
